Awards were presented by Dr. Edgar Illingworth (Yorkshire A.A. President)

The level of entry was a surprise - far exceeding previous years - and it caught the organisation unawares, resulting in some hurried improvisations. Luckily the weather was its usual kind self and that helped. Rod Pilbeam registered his first major win of the season in convincing fashion and Billy Bland carried off numerous awards, finishing second and first vet. Some faces from the junior ranks were very impressive: Mike Fanning (4th) and Steve Hawkins (7th), having run for the English team at Junior level, are now in contention at Senior level. Most promising of all perhaps is John Taylor of Holmfirth, only just into the over 18 ranks and having a splendid run in 6th position. Cumbria and Keswick dominated the County, Area and Team awards but Kevin Shand, third place in the Lancashire finishers, merits special note - another up and coming lad??

Many thanks to the following helpers: C.F.R.A. committee; Alan Watkinson, Trish Calder, Leslie Ellan (Flagging & Car Park); Dunk Stuart & Gillian (Flagging & Rigg Beck drinks); Gilbert Scott (Finish); Rachel Hughes & Susan Weston (Registration & Orange); Ruth Hulme (Registration & Results); Ann Eastman (Registration & Results)
