The 1984 Ennerdale was held in glorious sunshine with scenery never seen before by regular entrants.

The warm conditions precluded record times but a fine race developed with the first five finishers exchanging the lead in the first half of the distance. Kenny Stuart and Hugh Symonds, less sure of their way than the others, did not make a break until after Haycock where only 1m 23s separated the first five runners. Hugh and Kenny were fairly close at the finish but Kenny maintained his 100% record in Championship races to record his eight win.

Other remarkable performances were times of 4-02-34 of Vet Jos Naylor and 4-26-59 of Super Vet George Brass.

The gold standard certificates for those inside 4 hours proved popular as did the silver standard for those inside 4.5 hours. This was an innovation tried for the first time this year and will give many runners incentive to improve their times.

Thanks are due to the many helpers, especially check point controllers who provided water in very dry conditions.
