Super-veteran (over 50) W. Robinson - Cumberland Fell Runners

We would like to express our thanks to Muncaster Estates for sponsoring this race and to Sir William Pennington-Ramsden for presenting the prizes, including the Muncaster "Luck" Perpetual Trophy awarded this year to Harry Jarrett.

The course was slightly longer this year as the river was not considered safe to cross at the usual point, which made it necessary for the runners to use the bridge further up-stream.

Thanks are also due to R.A.F. Leeming who provided mountain rescue cover and radio contact during the race, the St. John's Ambulance Brigade, and all who helped to make the race a success.

D. Hughes - Hon. Secretary
